International scientific conference for doctoral studies

Cross-Cultural Perspectives of PhD Students and Their Preparation with Focus on Diversity and Interdisciplinarity

Schedule

7th – 8th November 2018

Faculty of Education, Palacký University, Olomouc
Organization information

All parts of the conference will take place in the building of Faculty of Education, Palacký University at Žižkovo náměstí 5 in Olomouc.
The attendance of participants will take place in the lobby area. The opening of the conference and plenary session will take place in the new auditorium of Faculty of Education, Palacký University (on the ground floor in the new part of Faculty of Education, opposite to the main entrance of the faculty).
The poster presentations will take place in the new part of the main building (of Faculty of Education) – on the first and second floor (around the new staircase and in the direction to the old staircase).
The active participants of the conference will be allowed to post their posters after the plenary session (i.e. during the lunch break, i.e. from 1.30 till 2.30 PM). Please, follow the colors (they are the same as the colors of your nametags) which are described below in detail, when posting your posters. On the spot, there will be clips, or tape and scissors available. You may take your poster after the first day of the conference. If you leave it in the faculty, it will be displayed within the Faculty of Education, Palacký University Olomouc.
The official end of the conference will take place in the lobby area (on the ground floor).
The participants might use the cloakroom during the whole course of the conference (7th November 2018) in the lobby of the new auditorium. There will also be some refreshment for the participants – coffee in the morning as well as other beverages and bakery products. During the lunch break (1.30 – 2.30 PM), a cold food reception will be available. There will be catering in form of dinner provided during the closing ceremony of the conference, i.e. 6.00-6.30.
In the premises of Faculty of Education, it is possible to connect to the Internet (WiFi upol-guest, password genius19loci).

Additional information is available at www.scup.cz.

Conference schedule

Thursday 8th November 2018

9.30 – 11.00 AM  **Associate Professor Digby Warren**  
(London Metropolitan University, The United Kingdom)  
Using creative methods to encourage student active engagement in HE learning.

Room **N21**  
In this practical session we will explore teaching activities that encourage student active learning in Higher Education, and how to design them. We will focus on creative methods and how these can be used in various disciplines to engage students, share cultural perspectives and develop important skills and awareness.

9.00 – 12.10 AM  **Associate Professor Francisco Ramos Ph.D.**  
(University Jaume I, Spain)  
How to present data

Room **N35**  
The first part of the workshop will focus on the following topics regarding the presenting of data: 1. Is the design important? 2. I like that font 3. Are these colors right? 4. The power of images 5. Presenting Data. The second part will lead the students to the practical activities. Students will work with the old presentation they did or used in the past (poster, PowerPoint) and modify that presentation following the recommendations they learnt in the first part. Everyone will show the most important modifications they just did to the rest of the classroom having some discussions.

9.30 – 10.15 AM  **Huda Al Baker**  
(Utrecht University, The Netherlands)  
A Story from Damascus to the Netherlands

Room **N25**  
There is always a room for a story that can transport people to another place, starting a new life with new language, new people, and new home. Being a refugee in Syria formerly and in the Netherlands now provides me with the tools that help me to understand and see the world from different perspective. In the workshop I will talk about: My former education and work as a Palestinian refugee in Syria, My journey all around the Netherlands, learning the Dutch language and knowing more about the society and the culture, Staring the academic life with InclUUsion, Studying ‘Conflict Studies and Human Rights’ Masters, Comparing the educational system in Syria and the Netherlands, Viewing other InclUUsion students, refugee students’ stories.
11.30 – 12.30 PM  **Danping Peng Ph.D.**  
(Palacký University, The Czech Republic)  
*Conducting research in a cross-cultural context: challenges and reflections*

Room N25  
This workshop will give some idea about how to conduct a cross-cultural research for PhD students. In the workshop, challenges and reflections in practical examples will be introduced. And some cases in different contexts will be presented.

__________________________________________________________________________

11.30 – 12.30 PM  **PhDr. René Szotkowski, Ph.D.**  
(Palacký University, The Czech Republic)  
*Internetová bezpečnost a prevence*

Room P7  
The workshop focuses on the Internet prevention, specifically sexting of the Czech children in the online environment, what motivates them to do so, with whom and how is the communication taking place and whether they consider sexting to be risky.
